

2022 IOM Coastal Cup Series NOR

Overview:

Due to Covid 19 isolation and travel restrictions, the 2021 Coastal Cup series was shortened to 4 events. Now that most of the restrictions have been lifted here in BC, we have planned for a regular Coastal Cup Series. As in the past, the Coastal Cup is a series of eight (mainly one day) IOM regattas held in conjunction with some existing regattas on the West Coast of BC with one event per month from March to October. It is an informal series designed to give local IOM sailors an opportunity to compete amongst each other to hone their skills. There is a nominal entry fee of \$25 to participate in the series. There are 8 locations for this year's CC series, with 3 on the mainland (Steveston) and 5 being held in various locations around Vancouver Island. The \$25 entry fee includes participation in CC5 Pacific Regional Championship regatta. There is a \$20 entry fee for non-CC entries at this event.

Tokens & prizes for the series will be awarded at the last event CC8 at Royal Victoria Yacht Club To allow for ferries, no races will start before 10:00am or end after 4:00pm.

Details:

- All CC regattas are open to any CRYA or AMYA-members in good standing
- There will be a separate NOR & SI for the Regional Championship regatta (CC5).
- The \$25 entry fee must be paid in full by CC5, to treasurer@westcoastradiosailing.ca or Art Prufer (see entry form for details).
- Only participants that have paid the entry fee will be actually scored in the CC series
- For the purpose of scoring the final results at the end of the series, non-participants will be removed from each of the regatta results and 1 point will be awarded for first place, 2 for second, 3 for third. Lowest score of the series gets first place, etc. , missed regattas will result in a score of the number of paid attendees at the event +1
- There are 3 throw-outs for the whole series
- The boat must have a current measurement certificate
- There will be no measuring done at any of the non-ranking CC events, but boats are expected to remain in compliance for the complete series.
- Waivers may be required for some events
